

THE BEST IN PET AFTERCARE

ABOUT GATEWAY

Saying goodbye to a beloved pet is usually a time of great emotion. As we cherish the memories of our pet, making decisions regarding pet aftercare can be difficult and sometimes overwhelming.

In 1995, facing similar questions and choices regarding the loss of a family pet, Scott Hunter could find no satisfactory answers. The pet aftercare industry seemed to offer very little regulation; most companies providing pet aftercare services did so with minimal licensing and inferior standards. A year later, in 1996, Scott founded Gateway, Canada's first accredited pet aftercare provider. Since that time, Gateway has continued to set the industry standard for excellence in ethical pet aftercare across North America.

Gateway offers pet owners a sense of comfort and peace of mind, ensuring your pet's aftercare will be handled in a way that is respectful, dignified and compassionate. At every step along the way, we promise to care for your pet as if they were our own.

CREMATION SERVICES

As a pet owner, you have the special responsibility of making aftercare choices on your pet's behalf. Working together with your veterinary clinic, we will gently guide you through the process of making cremation arrangements that are fitting for you and your pet.

PRIVATE CREMATION

Private cremation provides you with the opportunity to keep your pet's cremated remains as a permanent and personal keepsake. When you choose private cremation, your treasured pet will be the only pet in the cremation chamber during the cremation process. When the cremation process is complete, we ensure that you receive only the cremated remains of your pet in your choice of one of our complimentary urns.

COMMUNAL CREMATION

With communal cremation, your pet is gently placed into the crematory together with other pets. Because no cremated remains are returned to you when you choose a communal cremation, you may wish to consider one of our personalized memorial paw prints as a timeless remembrance.

PRIVATE VIEWING & VISITATION

Sometimes, being close to your pet as you say your goodbye is an important part of the grieving process. For pet owners who prefer to say goodbye to their cherished pet in a private setting with family and close friends, Gateway offers the opportunity for a Viewing & Visitation service. In a pleasant and serene visitation room, you will be in close proximity to your pet during the private cremation.

Our Viewing & Visitation is a time for gathering together in ceremony to share a meaningful goodbye - to grieve, to celebrate and to remember a faithful companion. Whether your wish is for a quiet, reflective memorial or a joyful tribute, we will help you make these arrangements in a warm and supportive environment.

There is an additional fee for this service. Please contact Gateway for further details.

Our facility offers a quiet and serene comfort room for families to spend a final few moments with their beloved pet.

THINGS TO CONSIDER WHEN CHOOSING AN URN

HOW DO I KNOW THAT I'M GETTING MY PET'S CREMATED REMAINS RETURNED TO ME?

This is a common question, and rest assured that your pet is tracked throughout the entire aftercare process. Gateway uses a proprietary tracking system called Paws e-Track, which tracks your pet through the aftercare journey. Your pet is assigned a unique identification number that is electronically scanned at multiple points through the aftercare process, from your veterinarian's office and throughout our facility. As Canada's first accredited pet aftercare facility, we offer 100% traceability and transparency.

WHAT ARE SOME THINGS TO CONSIDER WHEN CHOOSING AN URN?

Choosing a final resting place for your pet can be a difficult task. Some important things to consider are:

How will the urn be used? Will it be a prominent display item, or will you be scattering your pet's cremated remains? Jewelry is popular when sharing cremated remains amongst family members. There are many different materials and styles to choose from (ceramic, wood and metal). It's important to choose an urn that fits its intended use and the personality of your friend. A specific colour or engraving can make the urn more personal and remind you of the special memories you had together.

I AM HAVING MY PET COMMUNALLY CREMATED. ARE THERE PRODUCTS AVAILABLE TO HELP MEMORIALIZE HIM?

There are many memorial options that do not require cremated remains, including:

- Memorial stones, for indoor or outdoor display which provide a lasting tribute to your beloved companion.
- Clay paw prints that are a natural way to treasure the memory of your pet and one can be made for each member of your family.
- Jewelry is a unique and personal choice to help honour the life of a best friend.
